

**Deputy Sheriff
Entry Level Examination
Study Guide**

**West Virginia
Division of Personnel**

OVERVIEW

This examination study guide was developed specifically to assist you with test preparation, in understanding the different components of the examination, and to provide you with sample exam questions.

The Entry Level Exam contains 84 multiple choice questions. No law enforcement questions are included in the test because job analysis has shown this information is learned primarily after employment as a Deputy.

You will need to allot up to two (2) hours for the examination. All scoring for the Entry Level Exam will be performed by the Division of Personnel (DOP). The DOP will forward to the county a list of examinees and the score percentage each received.

WHAT IS ON THE EXAM ?

The exam consists of 84 questions covering the following subject areas:

- Basic Mathematics (12 Questions)
- Interpersonal Relations and Dealing with People (15 Questions)
- English Usage (Grammar/Spelling) (20 Questions)
- Accident Diagrams and Maps (10 Questions)
- Reading Time Schedule Information and Forms Completion (7 Questions)
- Reading Comprehension (20 Questions)

Basic Mathematics

In this position, knowledge of basic mathematics is necessary for the performance of tasks such as preparing reports. In the math portion of the exam, examinees are provided with situations that require the use of basic mathematics. Examinees will be required to read the word problem, and then select the correct multiple-choice answer.

Sample Questions

1. There were 375 candidates attending a training program; however, by the time the program was completed, 117 candidates had dropped out or were eliminated. How many candidates finished the program?
 - a. 255
 - b. 260
 - c. 258
 - d. None of the other options

2. A deputy sheriff unit is called out to stop a disturbance at a baseball game. The crowd consists of approximately 180 people. If the crowd to deputy ratio is ten to one, how many deputies should be sent to control the crowd?
 - a. 18
 - b. 30
 - c. 5
 - d. 20

3. A Deputy worked 8 hours Monday, 8 hours Tuesday, $7\frac{1}{4}$ hours Wednesday, 0 hours Thursday, $10\frac{1}{4}$ hours Friday, 12 hours Saturday, and $4\frac{1}{2}$ hours Sunday. How many hours did the Deputy work during the entire week?
 - a. $51\frac{1}{4}$ hrs.
 - b. 52 hrs.
 - c. $48\frac{1}{2}$ hrs.
 - d. 50 hrs.

4. In preparing the report on a home robbery, a deputy sheriff listed the following stolen items and their values:

- Television: \$530.00
- Diamond Ring: \$4,000.00
- Laptop Computer \$ 1,900.00
- Gaming System \$700.00

What was the value of the stolen items except the gaming system?

- a. \$7,130.00
 - b. \$6,430.00
 - c. \$6,600.00
 - d. None of the other options
5. The odometer on a patrol car shows that the car has been driven a total of 749 miles during a one week period. What is the average number of miles the car was driven each day during that one week period?
- a. 100 miles
 - b. 80 miles
 - c. 107 miles
 - d. 104 miles

Interpersonal Relations and Dealing with People

In this portion of the exam, examinees will test their ability to interact with the public and co-workers in order to provide the best service, gain cooperation, and maintain public support.

Sample Questions

NARRATIVE

Received a phone call from a driver of a possible burglary in process. Apprehended 2 suspects loading stolen property into their vehicle at the scene.

REPORTING OFFICER(s) and BADGE NO.

B. Thompson 15442

Reading Comprehension

In this portion of the test, examinees will test their ability to read and understand written materials. No specialized or previous knowledge is required.

Sample Questions

1. Every inmate entering the jail must be considered a potential carrier of contraband. In order to protect visitors, employees and inmates of the jail, a thorough search of each inmate must be performed. This search should be performed after booking but before the person has had an opportunity to enter the cell area. According to the passage above, which of the following is the search specifically designed to protect?
 - a. Inmates
 - b. Visitors
 - c. Employees
 - d. All of the above are correct

2. In many jurisdictions, law enforcement officers are required to wear a uniform. This uniform typically includes a shirt, trousers, a jacket, and a hat. The uniform is designed to be both functional and to convey a sense of authority. It also serves as a visible means of identification.
What is one purpose of wearing a uniform?
 - a. To provide warmth
 - b. To convey a sense of authority
 - c. To hide the identity of the officer
 - d. To allow for easy movement

3. The use of force by law enforcement officers is a serious matter, and it is governed by strict rules and regulations. Officers are trained to use the minimum amount of force necessary to achieve their goals.
What is the key principle guiding the use of force?
 - a. To use the maximum amount of force
 - b. To avoid using any force at all

- c. To use the minimum amount of force necessary
 - d. To use whatever force is available
- 4. Drugs contribute to crime in several ways. Most directly, it is a crime to use, possess, manufacture, or distribute drugs that are classified as having the potential for abuse such as cocaine, heroin, marijuana, and amphetamines. Examples of these types of crimes, which are known as drug-defined offenses include drug possession, methamphetamine production, and selling cocaine. Drugs are also related to crime through the effects they have on a user's behavior and by generating violence and other illegal activity in connection with drug trafficking. Drug-related offenses are those in which a drug's pharmacologic effects contribute to an offense. Examples of drug-related offenses include violent behavior resulting from drug effects and stealing to get money to buy drugs. If a person becomes agitated and aggressive from the effects of methamphetamine and subsequently assaults another person, the crime is referred to as which of the following?
 - a. A direct offense
 - b. An abusive offense
 - c. A drug-related offense
 - d. A drug-defined offense
- 5. According to the passage above, if a college student gives heroin to another student, the crime is referred to as which of the following?
 - a. A direct offense
 - b. An abusive offense
 - c. A drug-related offense
 - d. A drug-defined offense
